Mr. Carlos Flores G.
Industrial Sales Manager
Bardahl de Mexico, S.A. de C.V.
Mexico

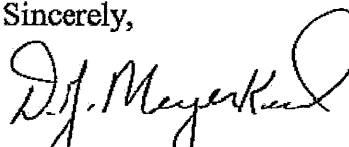

Dear Mr. Carlos Flores:

This is to acknowledge our recognition of your SAE 20W-40, 13 TBN (ASTM D-2896) diesel engine lubricant **BARDAHL RR DIESEL 2014** (Blend Code 0101667) as being worthy of full scale field test in EMD engines.

The compounding of this product with 3.50% (wt.) of OLOA 167 VI improver and 12.04% (wt.) of OLOA 2000 additive concentrate in Pemex 90/50 and 90/85 base stocks yields identical properties to those of another product recognized on this basis and is, therefore, acceptable as a rebrand/reblend.

As a result, **BARDAHL RR DIESEL 2014** qualifies for EMD's internal listing on the above basis and this will serve as recognition of such status.

Sincerely,

D.J. Meyerkord
